

ALOHA!

Your Adventure Continues...

Thank you for choosing to complete your Advanced Open Water certification with Maui Dreams Dive Co. This is a five dive course which includes three dives from shore and two dives from a boat, and is typically completed over a period of two days.

The following is a list of items that will make your class run smoothly and allow us to complete your class in a timely and organized fashion. **Please complete the following prior to your first day of class:**

1. Read carefully, fill out, sign, and date (in numerous places) the entire student record folder. This includes the front and both inside pages.
2. Please go over the medical history questionnaire as soon as possible so that if you need your doctor's authorization to dive, you'll have ample time to obtain it. If a physician's release is necessary, please print the medical forms from our website or contact us and we will be happy to mail or fax the forms to you or your physician. Releases are required in writing and on our specific forms. We will not issue refunds to students who are unable to attend a class due to failure to follow these guidelines and will charge reschedule fees for students unable to start with their scheduled class.
3. Read the Deep and Navigation chapters of your Adventures in Diving book and fill in the Knowledge Reviews at the end of those chapters. The other three chapters you read (and Knowledge Reviews you complete) will vary by class, based on the dives you choose as electives. Please confirm the availability of elective dives with your instructor prior to your start date.
4. Bring all of your materials to class each day.
5. PLEASE BE PREPARED TO HAVE FUN!!

Also, as a reminder, you must provide your own transportation to and from the shop and dive sites each day.

If you have questions, please feel free to contact us via email at dive@mauidreamsdiveco.com, toll free at 888-921-DIVE, locally at 874-5332.

We look forward to diving with you!
